

### National Day of Truth and Reconciliation 2023

Throughout the week of September 25-29, Christ the Teacher Catholic Schools participated in events and opportunities to learn more about and honour the National Day for Truth and Reconciliation. Students and staff were encouraged to wear orange to honour former residential school students, their families, and communities. This week was an affirmation of our commitment to ensure that every child matters, and our commitment to reconciliation, anti-racism, and Treaty education. Pictured below are images from various events across CTCS honouring the National Day for Truth and Reconciliation.
